

Create your own community - Dashboard

You can create private or hidden communities from the GovTEAMS dashboard or directly from within Microsoft Teams by using the Create Community app.

1

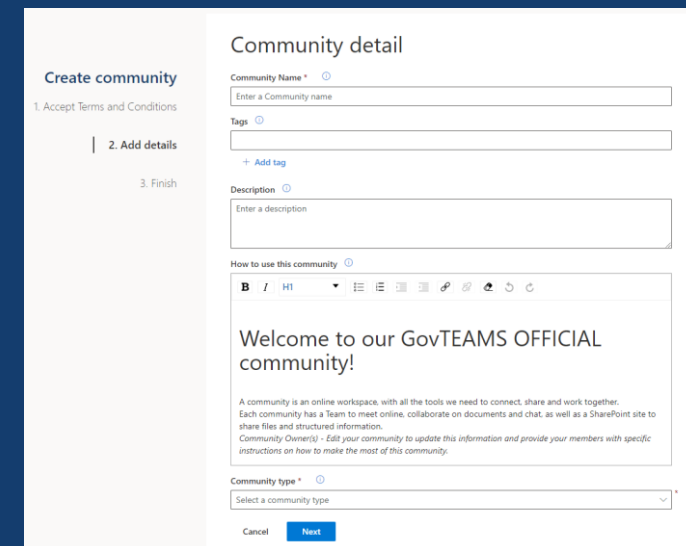

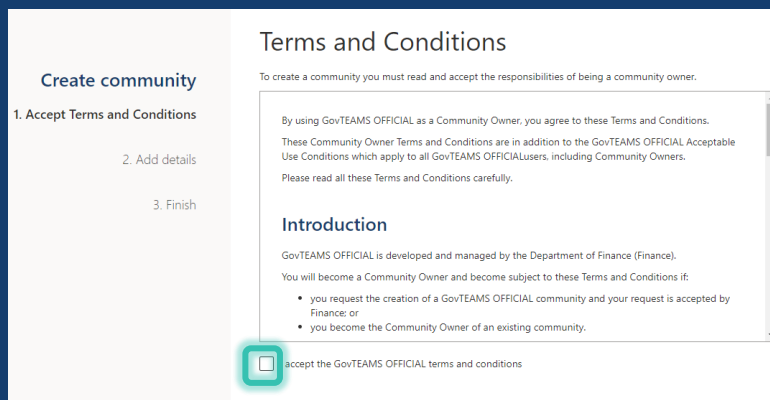

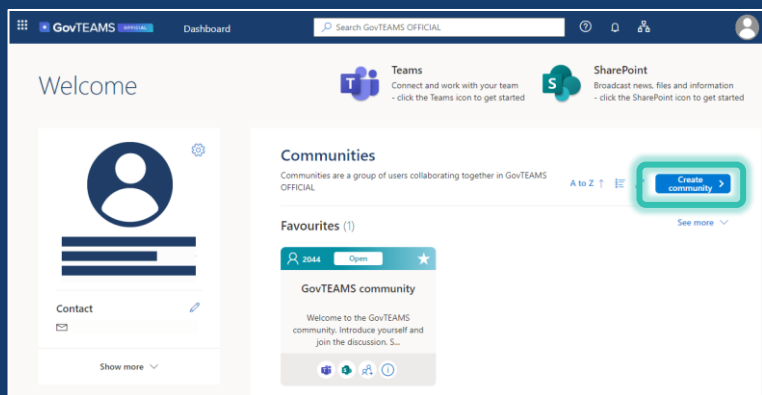

Select Create Community on the [GovTEAMS dashboard](#).

2

Read and accept the terms and conditions.

3

Enter community details, select community type and click Next.

Community types:

Private: easily discoverable, members must request or be invited to join.

Hidden: Not discoverable by anyone, members must be invited to join.

Open: Partners cannot currently create open communities.
