

Moving departments? Take your account with you

Your GovTEAMS PROTECTED account is designed to travel with you as you move between roles and agencies. The access options will vary between agencies depending on the settings your new agency has chosen.

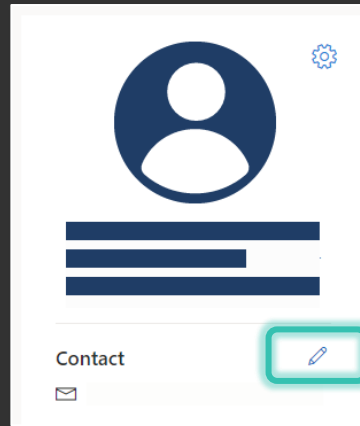

1

Log into your [GovTEAMS PROTECTED dashboard](#)

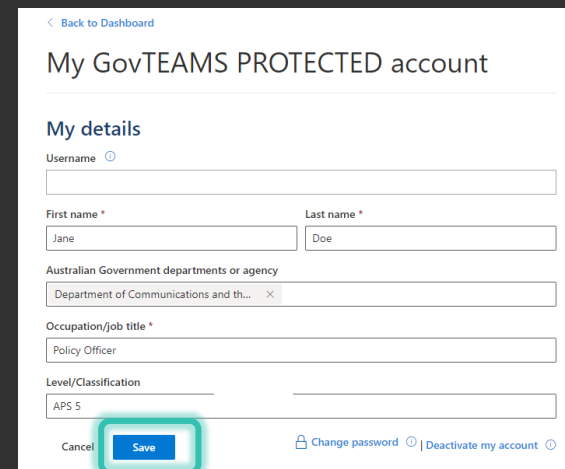

2

Select the Pen Icon

3

Update your information and save.

4

Navigate back to [My GovTEAMS Official Account page](#), change your **email** and **update**.
