## Verify/reactivate your GovTEAMS account

You may occasionally receive an email asking you to reconfirm your email address. If you don't action the email within 2 weeks, your account will become inactive. If you can't find the email, follow the instructions below to verify your account.

.og in to your <u>GovTEAMS PROTECTED</u>
lashboard. If your account is inactive, the
eactivate account screen will display.
Click <b>Resend link</b> .

## Let's reactivate your account!

Your account is on hold until you verify you still have access to your government email. Don't worry, you can pick up right where you left offl Even though your account is on hold, your profile information and community memberships are still in the system. To reactivate your account, click the verification link we've sent to Jane.doe@agercy.gov.au

## Resend link

Why we ask you to verify your email address.

> Has your email address changed?

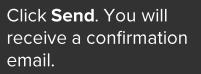

If your email address has changed, click Has your email address changed? to enter your new address.
